BAR MENU

INTRODUCTION

At Harvey Nichols we love drinks. And we wager you love them too. From the most delicious straight-up Daiquiri to a serious Negroni we both agree it's got to be made with passion and pride. The list below is our inspiration from the coming weeks and months, reflecting our own tastes and flavours. Even if you are the designated driver searching for an original, alcohol-free option we are sure you'll find something interesting within. It includes both timeless classics made with the best possible ingredients and signature serves created in store by our knowledgeable, stylish, handsome, and most importantly, humble bar team.

If you don't find the perfect drink then we are happy to make your favourite cocktail (exactly the way you like it of course!) or suggest a drink 'off-piste' that would suit you even better than that new pair of shoes you have your eye on!

So, with that in mind...

Could we get you a drink? How would you like it served?
