

Grant Chapman, Managing Director, Chapman Holmes Catering & Special Events

Holding a first class reputation as an event caterer for 25 years doesn't come without an exceptional eye for detail and creative vision for events. Everybody at Chapman Holmes has a passion for perfection with cuisine and a sparkling personal service. Praised by Clarence House for our fabulous dinners and Coronation Street Stars for our mouth-watering canapés - a firm favourite being our 'Betty's Miniature Hotpots' (over many years) and 'Fizz's Chipolata Sausages with Ginger and Honey'!

The proof is in the pudding as they say...and the starters and mains...but catering for a gala dinner, corporate event or canapé reception is about so more than just the food.

Meet with our team of award winning chefs, event directors and in house service staff at our tasting studio in Manchester and find out how we can make your event at Manchester Cathedral simply enchanting!

The Gourmand, Peel Green Estate, Green Street, Manchester M30 7HF
