

Stylish Contemporary Marquees, Equipment & Accessories

The White Marquee Company.  
Creating beautiful venues for  
weddings, corporate events,  
public and private functions  
in Greater Manchester, Cheshire,  
Lancashire and Merseyside.

# Wedding marquee hire... making your day perfect.

The White Marquee Company Limited constructs beautiful venues using our top of the range marquees. We can make the best of all the natural features to create a truly stylish and elegant space for your wedding meal and evening entertainment. When it comes to layout, you can thrill your guests with starlit ceilings, special entrance-ways and themed zones.

We have a range of linings which can be colour themed or used as black outs to create whatever ambience you desire. Our dance floors come in standard parquet or black and white but mirrored or other customised dance floors can be sourced easily to order.

# Corporate marquee hire... creating professional events.

Impress your clients and employees with exquisite, professionally finished marquees. With options such as solid glazed doors, heating, levelled ring beam floors, your marquee will be as practical and safe as a building. For longer term hire talk to us about our very competitive leasing arrangements.

The White Marquee Company has worked for clients across all sectors. Previous clients include O2, Urbis, Manchester Fashion Week, Ocon Construction, Video Nations, GGR UNIC, Cheshire Dogs Home and Americhem.

# Private marquee hire... no event too small or too big.

Enjoy the luxury of our marquees. The smallest marquee is 3m x 3m, so there's virtually no space too small for your function or celebration...and there's no space too big! We have a range of fantastic marquees to create all types of wonderful venues from garden parties, summer balls to race meetings, shows and festivals. We'll install everything at a convenient time before the event giving caterers, florists, table dressers, DJs, etc. plenty of time to get set up.

We'll then take down your marquee soon after the event finishes. Also, we don't charge extra for a couple of additional days should you wish to make the most of your wonderful temporary venue. If you need the marquee for an even longer period, you will find our prices very attractive.

# Clean, fresh, robust and modern marquees.

We offer only the highest quality Röder aluminium frame marquees meaning you won't have poles or ropes getting in the way and they'll withstand most of the elements from fire and storms to rain and snow. You can also add walkways, pagodas, Georgian windows or aluminium glazed entrance doors. With removable sidewalls, feel the warm summer breeze blowing through your marquee. Alternatively, our very effective heating systems will create a warm cosy place for your event if it's cold.

We know that uneven, sloping, muddy or flooded ground can ruin an event. That's why we offer a range of floors to meet the requirements of the site.

Our investment programme each year means we can bring you the latest technologies and ensure your marquees and equipment are always clean, fresh, modern and safe.

# Committed to quality, service and safety.

We are dedicated to providing only the highest quality of equipment and of customer service. That's why we use only the very best marquees & equipment supplied by the industry leaders including Röder & Custom Covers. We also follow the marquee hirer's code of practise for safety as laid down by The Performance Textiles Association, meeting all the latest British and European standards...and The White Marquee Company is fully insured.
